The instrument samples come from Alicia Keys' very own Yamaha™ C3 Neo grand piano.. The exquisite and unique sound of the C3 Neo were painstakingly captured by Thomas Skarbye, Kontakt script wizard Nils Liberg, and Grammy-award winning engineer Ann Mincieli – making this exclusive instrument available to everyone.. Using vintage microphones and preamps and through detailed analysis of Alicia's playing, the team succeeded in capturing the warm, soulful and inspiring sound of the C3 Neo all the way down to the finest nuances.. This is the piano sound that has helped Miss Keys win multiple Grammys and reach the top of the charts. [Microsoft Remote Desktop Connection Client For Mac 8.0](#)
