Hats off to cult New York make-up brand MAC Cosmetics – they’ve done it again with another highly covetable limited-edition designer collaboration, this time with renowned couture milliner Philip Treacy.. ' It is something Mr Treacy's fans know all too well, and though he refuses to name his clients, he admitted: 'We’ve been very busy recently, what with the wedding.

Speaking in an interview today, the designer said hats can transform facial proportions.
